

## WHY WORK WITH GUARD HOME WARRANTY?

### **We allow our customers to choose their own contractor**

- You work for the customer - not us!
- This means return business for you
- The customer also may refer you to friends and family

### **We are a reimbursement home warranty company**

- The customer pays you directly
- No waiting on us to pay an invoice
- We do not negotiate pricing and we don't ask you to sign up to be part of a network of providers

### **We only request a 5-minute conversation to go over the diagnosis from the customer's home**

- We will approve the work within minutes if you are able to complete the job right away
- No long hold times trying to get through to our US based claims department
- Our reps are trained to swiftly go through our questions to help us determine coverage under the warranty

### **We can't do our job without you!**

- Your professional opinion is an important part of our home warranty process
