

Insurance Insights: Dog Breeds and Homeowners Insurance

Understand how your furry friend can affect your coverage.

If you have a canine companion you love, chances are they are an integral part of your family life. For some dog owners, living with their four-legged companion can bring to light the fact that some insurance companies consider certain breeds "high-risk" and will not insure homeowners who own certain breeds.

Luckily, as an independent agent, My Preferred Insurance & HomeSolutions represents over 30 different carriers which allows us to hand-pick the carrier that is right for you, and will provide you with the coverage you need when it comes to your home, regardless of the breed of your dog.

We have a company for every closing!
