

Insurance Insights: Dog Breeds & Homeowners Insurance

If you have a canine companion you love, chances are they are an integral part of your family life. But some insurance companies consider certain dog breeds “high risk” and will not insure homeowners who own them.

Homeowners insurance companies don’t all agree on a single list, but many use breed-based risk guidelines when underwriting policies or setting liability exclusions.

As an independent agent, My Preferred Insurance & HomeSolutions represents more than 30 different carriers which allows us to hand pick the carrier that is right for you, and will provide you with the coverage you need when it comes to your home, regardless of the breed of your dog.
